

**2015 Caryville Tennessee, M/NM  
Mine Rescue Contest  
Problem/Written Instructions**

**Explore all areas of the mine that can be safely accessed. Account for all missing miners and bring all survivors to the Fresh Air Base.**

**Map all conditions found in the mine and any changes the team will make.**

**You have 75 minutes to work the problem (after the clock has been started).**

**Thank You and  
Good Luck!**
